**MS in Education: Childhood Literacy**

The Childhood Literacy program requires a 14 month commitment to full-time study. Students admitted during the spring application period each year begin the program in the summer, engage in full-time study the following fall and spring semesters, and complete the last two courses during the second summer. The degree leads to NYS certification as a Childhood Literacy (grades 1-6) teacher. It also will meet the state's permanent/professional certification requirements for teachers with provisional/initial certification.

**Current Program**

**First Summer:**

- **Elective**
- EDI 730 Literacy Assessment

**Fall Semester:**

***Requirements for current and proposed program:***

1. A baccalaureate degree from a regionally accredited four-year college or university with a GPA of 3.0 on a 4.0 scale

2. Valid NYS provisional Elementary (PreK-6) certification or initial certification in Childhood (grades 1-6) or Early Childhood Education (birth-grade 2).
- 

2. A rationale for the changes

*Substituting two Internships for two electives would add experiences that are the cornerstone to the success of the program. The internship currently is embedded in the Seminar class which is offered in Fall and Spring semesters. The Seminar course requires students to develop their thesis plus the internship which, at three credit hours, did not address the actual time commitment and learning outcomes of student and faculty.*
